

9 Suspicious visitors

Preview

1 CULTURE

To protect their homes against crime, people in North America sometimes do one or more of the following:

- keep their doors locked
- leave lights on when they go out
- have a "peephole" (or hole in the door) to see who's outside
- have an alarm system that makes noise if someone tries to open a door or window
- buy a dog to guard their home

Which types of neighborhoods have more crime in your country:
suburbs, rural areas, or cities?

How do people protect their homes in your country?
